Ecofix

The ideal display for any event or fair.

«We create your marketing displays.»

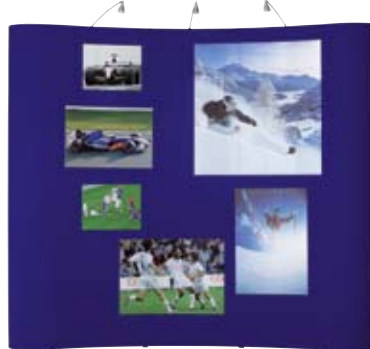

Instead of the standard carrier case on wheels you can also opt for our 'Counter Case Light' trolley case. This case can be turned into an

attractive counter using a special full colour panel and a luxurious wooden top (optional)!

full-colour printed panels

brushed nylon panels

With Ecofix you have a solid, reliable and versatile pop-up display at a very competitive price. Whats better, with Ecofix you make no concessions with quality, durability or convenience, plus you have the benefit of the systems Lifetime Guarantee !

The system is available in the popular '3x3' and '3x4' versions. Besides the use of full-colour printed panels, brushed nylon panels are also available to which you can fix your own photo/poster material using Velcro fastener
